

HYPERSONIC
INDUSTRIES

2023

Reimagine what's possible, *Refresh* your space, *Recharge* your sleep.

This is Hypersonic

Like so many Australians, we too are proactive about our impact on the **environment** and are making a conscious effort to reduce our packaging material across our product range

Proudly **made in Melbourne** since 1963

Tested and **certified** to the highest industry standards

Backed by a 2 year **manufacturers warranty**

From our family
to yours

*Trundle available as a Rollway (without legs)
 or Trundle with legs as pictured

Ladder + Timber Treads

Timber Treads are now available as an optional extra on the Nash Ladder as well as the optional side ladder for the Maddox.

Maddox

The Maddox bed has been designed as the perfect partner for the Maddox Loft and is our most practical space efficient bunk solution . Using a King Single Loft you will fit a double Maddox bed snugly underneath in the classic bunk configuration. Pair a single under the loft and you can make an L Shape configuration.

Maddox Loft
